

"FOLLOW THE \$5.00"

HAVE YOU SEEN THIS BILL??

The Gold River Chamber of Commerce will be tracking this \$5.00 bill around Gold River over the next few months. Our goal is to see how many of our local businesses will get this \$5 going through their cash registers.

In Gold River we all win when we shop locally and support each other's businesses.

By accepting this bill with your change you are making a commitment to spend this \$5 at a Gold River business.

We just ask that you document the date and business when you do.

If you do not wish to participate, please do not accept it!
